

Dear Valued Community Partner:

Our 2026 Stroudsburg Little League Season is fast approaching, and we are actively planning for the upcoming season. 2025 was a very successful season for our league, as our programs impacted on the lives of thousands of players, families, and businesses in our community! We celebrated our 75th Anniversary and had a very successful spring and fall season in both baseball and softball. We brought back a District Championship in Minors and Majors Baseball, a District and Sectional Championship in Majors Softball, and a District, Sectional, and State Championship in Seniors Softball.

As a Non-Profit organization, Stroudsburg Little League sources of revenue are league registration, fundraising, and the generosity made by local businesses and civic-minded organizations. We recognize that these days are challenging economic times, however, we also know it's especially important to provide opportunities for our local youth in organized sports activities. Stroudsburg Little League annually serves over 600+ area youth within in our programs. Our season is filled with positive experiences for our players and families while teaching the youth fundamentals of teamwork, good sportsmanship, and teaching the important character traits such as integrity, loyalty, courage, and respect for others.

Little League Baseball and Softball is a program of service to youth. It is geared to provide an outlet of healthful activity and training under good leadership in the atmosphere of wholesome community participation. The entire movement is dedicated to helping children become good and decent citizens, while striving to inspire them with a goal and to enrich their lives towards the day when they must take their places in the world.

We are trying something new for 2026 with a few different options for sponsorship this year. Whatever level of sponsorship you decide, your support will help shape lives in our community. Stroudsburg Little League is a 501(c)(3) organization, and our federal tax ID number is 23-2196134. Your support and sponsorship of Stroudsburg Little League Baseball and Softball for the 2026 Season, as our league depends on community support here in the Poconos, and your contribution is much appreciated!
